write his Log until he is better. Ella

Dec the 12th

Monday morning blowing fresh
all sail set. 4 P.M. blowing gale
under doubled reefed sails mid-
night took in spanker heavy sea
running vessel bobbing heavy.

Tuesday Dec 13th

at 2 A.M. took in all sail under
bear poles sea mountains high
and breaking over us heavy tricing
came near being washed overboard
second mate came near being
lost by being caught in jib sheet
afternoon more moderate

Dec 14th

weather clearing off under double reefed fore & main sail sea gain down but still heavy and washing decks bad. within 2nd miles of Bermuda

Dec 15

still a gale of wind but not blowing so hard as it did yesterday

Dec 16

still a gale of wind just as hard as ever

Dec 17

still blowing a gale of wind from the eastward

Dec 18

to day it is a nice breeze from the westward can see Gibb's hill light house at 10.30 A.M. lay by all night waiting for tow boat

Dec 19

we arrived up to the dock yard and I sell a Spanish gun boat when we came in, and when we got up here we came along side of a English man o' war the Hotspur to take out some of our coal papa & me went all through her and I sell a torpedo. three of the Officers passed the evening with us

Dec 20

We all went to Hamblinton this fore noon and we ate our dinner to the American House and we met some of our friends there from St. George.

Dec 21st

Came in clear and fine stayed on board this fore noon. Afternoon went on shore looked around the

Back yard on Ireland Island
went through the Dry Dock the
largest Dry Dock in the world
years ago. This Island was used
for a Coasting Station the Break-
water was built by Consols and
nearly all the fortifications.
went through the old Military
Church yard, where are many odd
stones and some are marked by
the officers layed on top the
grave.

Dec 22nd-

Got up early took our small
Boat and the men Papa Mama
and me went to Hamlington at
Lunch at the American House
then started for St-George. A few
friends arrived there at
3 Pm. Papa went back at 3 Pm.
went out on my wheel had
a fine ride.

Dec 23rd.

Warm as summer at Home
Ethel James and me went out
A Ride brought home lovely flowers
after noon Ethel James and me
went out on our wheels.

Dec 24th

played Loun Tenis and went
to walk with Mama and Minnie
James up on St-George. Papa came
up from Hamlington at 5 Pm.

Dec 25th-Christmas

Christmas comes in Bright warm
and fine flowers blooming every
where. Nice Christmas Dinner
went to ride afternoon took
Tea at Mr Ingle's Papa and Mama
went to Church in the evening.

Dec 26th-

Stayed at Mr James all day
playing in the yard. Evening
Ethel and me went to the
Christmas Well fishing.

Dec 27th-

went to ride on the wheel & the turn. after dinner played for an hour. Richey Hayward passed the evening with me we all played games.

Dec 28th

Rafa of Mamma & Mrs James went to Washington. Ellie and me went to ride up to Shelley Bay. Evening Ethel and me went to the Old folks Entertainment had a very nice time.

Dec 29th

went to Joice Dock leaves after making her fare for Mamma after dinner we went to the Wharf to take the Tow Boat to show us to see Mr & Mrs James their children Mrs Ingles and daughter Mrs Pierson. Mr Boile & his Grand son all came down on the Boat that

Bound from Bermuda towards ^{appalachia} Dec 30th

Took us to Sea Boat left us at 9:45 A.M. East of the House. Blowed her whistle and left us. found Fiskey & Polley both well.

Dec 30th

this morning at 8 o'clock found us 90 miles SW Bermuda wind fair noon making 10 and 11 knots (that means 10 & 11 miles an hour. Ansel very sea sick. Lane made 400 Handful miles in forty-eight hours. I will finish this for Ansel hoping he will be able to continue his writing on the following day.

Dec 31st

Wind moderate rough Sea vessel making about 9 & 10 knots all sail set - reading to Ansel he was able to dress a day.

Jan 1st

This is Old Year day Jan 1st 1899
 Sunday moderate SW Wind Evening
 wind increasing midnight heavy
 gale under double reefed sails
 sea running heavy rolling and
 making heavy weather took our
 meals on the floor, vessel
 rocking so no table can be sat
 Jan 2nd

frescent city this morn-
ing and in the after noon
I shot four bulls with
Papas gun

Feb 1

waiting for good weather
to go to sea in the after-

mom i shot 2 bulls
with Dake gun Capt.
Pearson gave me a rifle
38 Cal sixteen repeater

Feb 2

to day is foggy a schooner
arrived to day the Janau
8 ball

Feb 3

to day foggy the tow boat
is waiting to sea us to
sea

Feb 4

foggy today I shot a
bull and Uncle John
arrived today and we
all went a board and
freshly went to see but
brother Skye

Feb 5

the tow Boat has gone
up to town. two Bongies
came in over the bar
this after noon

Feb 6

foggy and rainey all day
long. Mana went a board to
Jennai I had was going to
stay to supper but it blowed
so hard Papa had to go and
git her before supper

Feb 7

Uncle John come down from
town and came aboard here
and last night the tow boat
tuck up down to dog island
at night Feb 8

Sailed from Apalachicola
today Passed out by dog
Island at noon with fair
wind Feb 9

wind a head quite ruf
some sea sick

Feb 10

wind head ruf and I was
sea sick made Toatuga
light at 8 o'clock

Feb 11

Beating up through the
Strait of Florida made
Rebecca light house at 9
a m. this after noon see a
Ship and a Bark going to the
Eastward so ends this day.

Feb 12

Fine weather with a fair
wind a Bark in company
with us we ought sailed
her see a Ship and a Bark

Feb 13

a gale of wind blowing
hurricane force see a
Barge and I was sea sick

Feb 14

today the wind is going
down see two steamers and
a Barge today so ends
this day

Feb 15

to day we see the lark
going the same we are
she put up her flag for
us and we put ours
up to and see a mother
schooner blowing all
most a Gale of wind

Feb 16

the lark is in
company with us see
a Barge today blowing
quite hard today
I have not been sea
sick yet

Feb 17

has been a fine day
and a moderate breeze
see one fore masted
schooner mamba has
been making and I
have been fainting

Feb 18

Painted this fore noon
for a while. Made Cape
Hatteras at 5 P.M. it is

at 10.30 P.M. the light Ship is
Painted Red and white

Feb 20

Passed Fenwick Island light
Ship at 4 am it is Painted Black

and white Passed Fenwick
Island at about 4 o'clock it is
Painted white I went to
Mizzen mast Head could
see nothing but Ice as far as the
Eye could reach. took Tow Boat
6 miles of shore on account
of the Ice Towed up here to
Delaware Break Water where
we now lay at Anchor. we found
a big Fleet of Schooners & Squair
rigged vessels. There Ice bound
will be obliged to stop here
until the River Breaks up
so we can Tow to Philadelphia
our Discharging Port Anchored
near at Hook

Feb 21

Papa and I went ashore
and walked up to Lewis
Dedawall it was about one
mile and a half the ice
carried us a drift

in the evening about
nine o'clock the tow boat
put us back to anchor

Feb 22

went a drift again and
got foule of a nother three
other Schooner and carried
a way the boat davy
and some of our rattings
mitten prigen and a four
masted Schooner got a hole
punched through his
stern we started from
Philadelphia at one o'clock
